► Scope of the Lifetime Limited Warranty:

Remote technical support, RMA repair/replacement, and on-site troubleshooting (if necessary as determined by Absen technical service).

Troubleshooting levels	Warranty criteria	Service
Level 1 Failure	Basic software issues. Screen configuration, firmware upgrade, and remote troubleshooting for basic issues.	Absen Online Technical Support
Level 2 Failure	Minor physical hardware repairs: Module, power supply, receiving card, HUB board replacements, data cables, power cables	RMA Service
Level 3 failure	Abnormal pixel or part failures. Part failure (modules/power supply/cards) exceeds 10% of the entire order	On-site Service

The customer's sole and exclusive remedy under this limited warranty will be, at Absen's determination, repair or replacement of any component part or product according to the process described in this warranty.

Replacement parts or products may be new or refurbished. If repair or replacement is determined by Absen to be commercially unviable, Absen may elect to refund a prorated share of the price according to the original purchase. The prorated refund will be calculated based on the remaining value of the warranted period of the product and the price at which Absen sold the product.

► Repair and replacement Process

The customer is required to follow the Absen RMA process as outlined on the usabsen.com website.

- Any damage occurring, at any time, during shipment of products, unless otherwise agreed in the agreement or quotes.
- Normal wear and tear and the natural aging of parts, including LED lamps, connecting devices, shaders, sockets, etc.
- Natural reduction in brightness, color under normal operation and/or partial LED pixel degradation.
- Slight difference in brightness and color without compromising product functionality.
- Any damage caused, in whole or in part, by misuse, improper operation, tampering, improper installation, adjustment, repair, or service of the products by anyone other than personnel of Absen or its authorized repair agents.

- Damages caused by the failure to provide a continuously suitable environment, including without limitation: (i) a failure or sudden surge of electrical power, extreme or excessive power surges, improper power connections, or failure to keep stable and proper voltage conditions; (ii) improper air conditioning or humidity control; (iii) other environmental conditions outside of the Products' technical specifications such as extreme temperatures, corrosives, and metallic pollutants; (iv) any accident, including without limitation fire, flood, earthquake, wind, lightning, war, pandemic, terrorist activities, civil disturbance or any other cause beyond Absen's control; (v) improper storage; or (vi) any other cause other than ordinary use.
- "Burn In" caused by anyone other than personnel of Absen or its authorized repair agents playing continuous static (non-moving, non-motion) images.
- Any statements made about the Products by any salesperson, dealer, distributor or agent, unless such statements are in a written document signed by an officer of Absen. Such statements not included in a signed writing do not constitute warranties, shall not be relied upon by the buyer and are not part of the Agreement and Limited Warranty TC.
